Degrees from the **College of Information Technology** emphasize mastery of skills and knowledge that are essential for continued advancement.

- **Special Admission Requirements for WGU’s IT Programs:**
  To be admitted into a WGU information technology degree program, you must demonstrate IT experience in one of the following ways:
  - An associate's degree in IT or equivalent (A.S. or A.A.S. acceptable)
  - High-level IT coursework completed within the last five years
  - Transferable IT certifications earned within the last five years
  - A resume showing three-plus years of IT work experience

- **The Steps and Deadlines for Enrollment:**
  - **Apply for Admission and Pay the Application Fee**
    You may apply for admission online at any time at [indiana.wgu.edu/applynow](http://indiana.wgu.edu/applynow) once you're ready. The application fee is $65. You can pay online using a credit card. You can also mail a check or call the Bursar's Office at 1-877-435-7948 ext. 3105 for help paying online. 
    *Note: WGU Indiana does not profit from application fees as they only offset a small portion of admission and enrollment costs.*
  - **Send In Your Official Transcripts**
    If you have prior college experience, you must submit official transcripts from each institution you have attended. Please order official transcripts now; they can take a few weeks to arrive. Your transcripts need to be sent directly to our parent institution, Western Governors University, from the institution(s) you attended and must be received by the 1st of the month prior to your intended start date.
    *Learn more about how to send in official transcripts at [indiana.wgu.edu/transfer](http://indiana.wgu.edu/transfer).*
  - **Complete the WGU Readiness Assessment (Undergraduate Students Only)**
    The WGU Readiness Assessment is a three-part online test designed to determine your likelihood of success at WGU Indiana. Your Enrollment Counselor can answer questions regarding this assessment.
    *Readiness Assessment requirements vary by program, see website for details.*
  - **Be Admitted to WGU Indiana**
    The admission decision is based on many factors, including your results from the Readiness Assessment, your prior college experience, and the amount of time you can devote to your studies each week.
  - **Satisfy Your First Tuition Obligation**
    Your first tuition payment is due by the 22nd of the month prior to your intended start date. If you plan to use financial aid, you need to start the financial aid process immediately after paying your application fee. We strongly encourage you to make tuition arrangements or finish the financial aid process earlier than the 22nd, as this will permit you to begin your orientation, Education Without Boundaries, any time after the 15th of the month.
  - **Interview with Your Enrollment Counselor**
    You should have at least one phone interview with your designated Enrollment Counselor to help determine if WGU Indiana is a good fit for you. These calls help ensure that you have accurate and appropriate information about WGU Indiana, your program, and what will be expected of you. **In addition, you’ll need a 20- to 30-minute Intake Interview to finalize your enrollment and officially establish your program start date.** (The Intake Interview typically needs to occur by the 15th of the month prior to your intended start date).
  - **Complete Orientation**
    Once you are cleared to start you can begin your orientation, Education Without Boundaries. This orientation will acquaint you with WGU Indiana’s unique competency-based academic approach and link you to the various learning resources you’ll utilize throughout your program.
